Tiverton Collection

A PAINTED COLLECTION WITH A DIFFERENCE;
MADE FROM SOLID WHITE OAK AND OAK
VENEERS AND FEATURING A LIMED HAND
BRUSHED FINISH.

The textured feel of the parquet tops makes
this range really stand out. These tops are
expertly hand finished to achieve a limed rustic
appearance, which emphasises the individual
character of the oak.

The inside of each piece is painted with a light
neutral colour contrasting with the main colour.
Seen to full effect on the open bookcase where
all three hand finished elements come together.

Tiverton is made to order in a range of colours to
help you create your own unique style.

PARQUET TOP

The oak veneer is skillfully hand cut and laid to create the parquet tops and a limed finish applied to the choice of two soft natural shades.

SPECIALIST PAINT FINISH

The wide choice of paint colours are all hand painted to highlight the detailing of each feature.

ATTENTION TO DETAIL

The decorative beading, matchboarding, stop chamfering and dowels on the table legs elevate this range.
