WELCOME

Duvalay is a leading mattress and bedding manufacturer based in the heart of Yorkshire. Founded in 2003 by Alan and Elizabeth Colleran, the company became a household name following its successful appearance on BBC's Dragons' Den (2011), where they secured investment by logistics entrepreneur Hilary Devey OBE.

The company manufactures a wide range of mattresses, toppers, and pillows for the furniture retail, leisure and hospitality industries. Duvalay also sells globally, with distribution in Korea, Hong Kong, America and Europe.

Duvalay's 80+ staff are committed to providing quality, handmade sleep products and the highest levels of service to the company's customer base.

WHAT WE SUPPORT

Duvalay has signed up to be a member of the NBF's 'pledge for our planet scheme'. The five-point pledge signifies Duvalay's commitment to continual environmental improvement through eco-friendly product design and green led manufacturing.

In 2021, Duvalay signed up to be a contributor to One Tree Planted and has committed to planting one tree for every one of our patented memory foam sleeping bags sold. Closer to home, Duvalay makes a monthly donation to Zarach which aims to eradicate child sleep poverty within our Leeds area.

easysleep®

BEDTIME LUXURY IN-A-BOX

A collection of modern mattresses packed with the newest in sleep technologies and designed with everyone in mind. This mattress range is compressed, rolled and shipped in a neat box for quick efficient delivery and easy handling. Simply unbox, unroll and sleep.

POCKET SPRING SUPPORT

Individually encased pocket springs giving perfect postural support ensuring you wake up refreshed and revitalised each and every morning.

HYBRID DESIGN

The hybrid design of Flowtex mattresses utilises the best technologies of both foam and springs for enhanced comfort and durability.

FRESHTEC COOL SLEEP CONCEPT

Freshtec foam offers moisture management, breathability, and total sleep comfort with 30x the airflow than a traditional memory foam mattress.

ROLLED AND DELIVERED IN A BOX

This mattress range is compressed, rolled and shipped in a neat box for quick efficient delivery and easy handling.

FREE AND FAST DHD DELIVERY

Send us the order and we do the rest, delivered straight to the customer's door.

HYPOALLERGENIC

All Duvalay mattresses are fully hypoallergenic and perfect for allergy sufferers.

EXTRA BREATHABILITY

A 3D mesh border aids with breathability and enables air to flow through the mattress more freely – Keeping the mattress fresh and cool.

HIGH QUALITY MEMORY FOAM

Our Easysleep mattress contains only the highest density memory foam to cradle and ease the bodies aches and pains.

EASYSLEEP ONE

COMFORT GRADE: FIRM

Our open-cell memory foam gives a flexible sleep surface that adjusts to you throughout the night, ensuring the mattress breathes and doesn't feel warm like traditional memory foam sometimes can. Finished off with a silky smooth knitted cover for a great feel and maximum comfort.

SIZES AVAILABLE

- S Single
- SD Small Double
- D Double
- K King

DEPTH

- ↕ 20cm (all sizes)

FEATURES & BENEFITS

High quality memory foam	Body moulding memory foam soothes the body as you sleep
Extra breathability	Open-cell memory foam lets the mattress breathe
Lumbar support	Supportive foam core provides excellent lumbar support
Soft knitted cover	Offers a smooth, comfortable sleeping surface
Easycare	No need to flip, just rotate occasionally

EASYSLEEP TWO

COMFORT GRADE: Medium

Our superior 'S-Line' pocket springs adapt to your body's individual curves and shapes, providing support to any area your body needs it the most. The advanced technology memory foam cradles and relieves pressure points that build up throughout your day, giving you a refreshing nights sleep.

EASYSLEEP THREE

COMFORT GRADE: Medium

A unique combination of cooling Freshtec and our superior 'S-Line' pocket springs. The cover features 3D mesh ventilation to allow even more air to travel through the mattress as you sleep. Perfect for people that sleep hot, this mattress will keep you cool, fresh and rejuvenated for the day ahead.

EACH WOOLTEC® MATTRESS USES 21 RECYCLED PLASTIC BOTTLES

DUVALAY® IS ON TARGET TO PREVENT 180,000 PLASTIC BOTTLES FROM ENTERING LANDFILL OR THE SEA PER YEAR

wooltec®

NATURE REINVENTED

An innovative method for blending and bonding lambswool fibres, which gives greater, natural temperature control with increased durability and comfort.

HOW IS WOOLTEC® MADE?

1. Luxurious Lambswool

2. Technical innovation

3. Yorkshire craftsmanship

4. A great night's sleep

FEATURES & BENEFITS

MADE FROM THE FINEST LAMBSWOOL
Duvalay Lambswool keeps you refreshingly cool in summer and cosy and warm in winter due to its naturally thin and flexible fibre structure.

ORGANIC COTTON SLEEP SURFACE
Every mattress is covered with our luxurious organic cotton fabric, which is grown free from all pesticides and chemicals. It naturally wicks away moisture from the body, giving a cool and fresh sleep.

EXTRA BREATHABILITY
Wooltec is vertically bonded fibre manufactured using cutting edge new technologies, enabling the lambswool to be extra breathable – perfect for hot sleepers.

POCKET SPRING SUPPORT
Individually encased pocket springs giving perfect postural support ensuring you wake up refreshed and revitalised each and every morning.

EXTREMELY DURABLE
These durable fibres are engineered to last, ensuring long lasting comfort and a perfect sleep night after night.

ENCAPSULATED EDGE SUPPORT
Wooltec mattresses are encased with side edge support ensuring a full edge to edge comfort and support.

ECO FRIENDLY
Wooltec is uniquely bonded with recycled polymers giving it its unique performance. Incredibly each mattress saves 21 plastic bottles from going to land fill or the ocean.

HYPOALLERGENIC
All Duvalay mattresses are fully hypoallergenic and perfect for allergy sufferers.

WOOLTEC 2000

COMFORT GRADE: Firm

Offering outstanding pressure relief and comfort with a natural silky smooth organic cotton cover. The Wooltec 2000 contains soft luxurious body contouring mini pocket springs giving superb postural support with extra breathability.

POCKET SPRING SUPPORT

Individually encased pocket springs giving perfect postural support ensuring you wake up refreshed and revitalised each and every morning.

ECO FRIENDLY

Designed to give the minimum environmental impact without compromising on comfort, durability, or support. The Revive mattress is 100% recyclable and prevents 40+ plastic bottles going to landfill with each mattress.

REINFORCED EDGE SUPPORT

Firmer perimeter edge springs provide ample edge support and prevent a 'roll off' feel to the mattress.

MICRO POCKET SPRINGS

The micro springs provide tiny adjustments in the support for your body as you sleep and move at night. Excellent for pressure relief and giving optimum body support.

EXTRA BREATHABILITY

Our eco comfort fibres are soft, durable and designed to be extra breathable – allowing more air to circulate while you sleep and keep you cool and fresh all night.

PURE NEW WOOL

Wool can regulate temperature and moisture to enhance the sleeping experience. Whilst being naturally fire retardant and grows sustainably.

'CLOUD' SLEEP SURFACE

A 600g thick knitted cover that is soft, stretchy and extraordinarily comfortable to sleep on. Our cloud cover is breathable and compliments the eco comfort fibres to create a ventilated fresh sleep space.

HAND TUFTED

Hand tufted with wool rosettes to keep all the fillings tightly in place and prolong the lifespan of the mattress.

J.D. COLLECTION

Our HD Collection allows you to treat yourself to affordable, five-star luxury, helping you spring into each new day feeling refreshed by a great night's sleep.

Six new mattresses have been added to the range – all featuring Wooltec: our innovative combination of traditional natural fillings with a technical twist. Luxurious lambswool fibres are uniquely engineered for extra breathability, durability and comfort; then gently nestled on a bed of 'Midas Touch' pocket springs.

Providing a special combination of responsiveness, comfort and support, these uniquely shaped springs are highly receptive to individual body weights and shapes.

The collection is accompanied by a range of Ottoman and platform-top divan bases – offering a wide variety of storage options and complemented by our selection of headboards.

MidasTouch[®] variable rate pocket springs

Providing a special combination of responsiveness, comfort and support, making them highly receptive to individual body weights and shapes.

wooltec[®] NATURE REINVENTED

An innovative method for blending and bonding lambswool fibres, which gives greater, natural temperature control with increased durability and comfort.

COMFORT GRADE: Firm

COMFORT GRADE: Soft

THIRSK¹⁰⁰⁰ & RICHMOND¹⁰⁰⁰

An absolute comfort necessity for those who want an affordable, luxury mattress, the 'Thirsk' and 'Richmond' invite you to luxuriate on the cool and highly breathable Wooltec fibre layer which cushions the 1000 supportive 'Midas Touch' pocket springs.

Iris headboard with continental drawer base

MALTON²⁰⁰⁰

COMFORT GRADE: Firm

A supreme-quality, firmer-feeling mattress with supportive 'Midas Touch' springs, the 'Malton' is topped with generous layers of nature's finest fillings: cooling cashmere and comforting wool. Promoting natural spinal alignment, the 'Malton' gently soothes away nagging aches and pains.

Graphite in it's raw form

Flowtex graphite foam has **30x the airflow** of a traditional memory foam mattress.

Advanced open cell technology

flowtex™

GRAPHITE COOLING CONCEPT

This hybrid pocket spring mattress range uses the enhanced, natural occurring mineral Graphite to draw heat away from the body. Combined with our open cell technology foam means that Flowtex mattresses allow 30x the airflow through to prevent the body from overheating. Available in a mix of spring counts and comfort feels.

FEATURES & BENEFITS

POCKET SPRING SUPPORT

Individually encased pocket springs giving perfect postural support ensuring you wake up refreshed and revitalised each and every morning.

FLOWTEX GRAPHITE FOAM

Flowtex comfort foam uses natural Graphite particles to filter heat away from the body. Providing a fresh, breathable and cloud like sleeping surface

BREATHABLE AND COOL SLEEP

Flowtex mattresses use open-cell technology which has 30x the airflow of a traditional foam mattress

HAND TUFTED

Hand tufted with wool rosettes to add stability and bind the comfort layers to the mattress core. This also greatly enhances the mattress longevity.

ENCAPSULATED EDGE SUPPORT

Flowtex mattresses are fully encapsulated to ensure a robust edge to edge sleeping surface.

HYPOALLERGENIC

All Duvalay mattresses are fully hypoallergenic and perfect for allergy sufferers.

ORGANIC COTTON SLEEP SURFACE

Every mattress is covered with our luxurious organic cotton fabric, which is grown free from all pesticides and chemicals. It naturally wicks away moisture from the body, giving a cool and fresh sleep.

HYBRID DESIGN

The hybrid design of Flowtex mattresses utilises the best technologies of both foam and springs for enhanced comfort and durability

FLOWTEX²⁰⁰⁰

COMFORT GRADE: Firm

A solid firm mattress with 2000 pocket springs for excellent body support. Perfect for hot sleepers due to the natural graphite particles in the Flowtex cooling foam that draw heat away from the body and provide a fresh, ventilated sleeping environment.

SIZES AVAILABLE (ALL FLOWTEX MODELS)

- S Single

DIVAN OPTIONS

Accompany your Duvalay mattress with one of our handmade divan bed bases. We have a stylish range of fabric choices, storage configurations and sizes to suit all requirements.

See below for our wide range of pragmatic storage solutions to optimise every inch of your bedroom space.

Four drawers

Continental – Two large drawers with two small drawers

Two bottom drawers

Two top drawers

Two left drawers

Two right drawers

OTTOMAN

Our 'Ottoman' Divan is expertly designed to give you a large, spacious storage area to de-clutter your bedroom, whilst giving you easy access to your everyday essentials. The Ottoman divan uses a mixture of spring assist and piston hinges and has a huge storage capacity of 70m³.

- Solid timber & MDF construction
- Piston hinges for easy lifting
- Ottoman bases offer huge amount of storage capacity
- 8mm solid reinforced base
- End lift mechanism
- Our standard Ottoman height is 34cm

PLATFORM TOP

Features a solid hardboard top and is perfect for those who prefer a firmer feel to their bed. The base is expertly constructed in supple and lightweight softwood, selected for its resistance and durability. Our craftsmen take their time to ensure every base we produce is perfectly finished.

- Constructed from solid timber
- Gives a firmer feel to your bed
- Glued and screwed drawers
- Available at a standard height of 33cm or at a slim line height of 27cm

SPRUNG EDGE

Our sprung edge divan guarantees a truly luxurious sleep experience, featuring reactive springs which cover every inch of the divan base. The sprung base adds extra support and gives a softer, sumptuous feel while further extending the lifespan of the mattress.

- Soft, supportive edge-to-edge springs
- Constructed from solid timber
- The ultimate luxury Divan
- Glued and screwed drawers
- Our standard sprung edge divan height is 34cm

AVAILABLE SIZES (ALL MODELS)

Platform top divan with four drawers

Ottoman divan

HEADBOARDS

Every luxuriously upholstered headboard from Duvalay has been designed to add a touch of style and elegance to your sleeping environment.

The range compliments our ottoman and platform-top divan bases perfectly, benefiting from a wide selection of velvet, linen and herringbone fabric choices.
